LOUISIANA EMERGENCY MANAGEMENT CONFERENCE

PRE-CONFERENCE TRAINING

ELECTED OFFICIALS TRAINING

In accordance with Act 526 of the Louisiana Legislative Session of 2022, GOHSEP has developed the Emergency Management Training Program for Local Officials and Employees. This training program is essential for local officials and employees to understanding key components of emergency management. This training will include the following:

- Roles & Responsibilities for State, GOHSEP & Local Officials
- Contracting for Goods and Services Before, During and After a Disaster, Procurement Procedures & Reimbursement Requirements, & Utilization of Prepositioned Contracts
- Submitting Requests for Resources and Services
- Standards & Regulations for Disbursement of Public Assets and Diversion of Resources
- Availability & Utilization of Nonprofits

NEW OHSEP STAFF ORIENTATION

The course will provide new OHSEP staff the necessary knowledge and tools to form a collaborative partnership with GOHSEP. This course is designed to assure interagency collaboration between state and local entities to prevent, prepare, respond, recover and mitigate from disasters that impact Louisiana. GOHSEP will provide helpful tips and answers to common FAQs. There will be representation from each GOHSEP Division available to answer questions or provide guidance.

LOUISIANA EMERGENCY MANAGEMENT CONFERENCE

POST-CONFERENCE TRAINING

PUBLIC ASSISTANCE 101

Tangipahoa Parish's Director of Finance will be presenting on what it takes to get a parish declared, what documentation is needed and why to work toward meeting the threshold, and discuss the required turnaround time.

- The presentation will include what documentation FEMA is requiring for PA reimbursements and steps the applicant can take to assure that PA reimbursement documentation is complete.
- Examples will be provided demonstrating proper documentation techniques and helpful guidance on how to prepare ahead of time.
